

Plan of Public Participation process
for the Strategic Environmental Assessment (SEA Report)
issued for the plan of
PUZ Amendment for Rosia Montana Industrial Zone

Proposed activities:

1. Inform and consult with the stakeholders:
The public information and consultation efficient process will involve setting up information centers in the towns situated under the footprint of the Urbanism plan. Here will be where the information on the Environmental Report and Urbanism Plan, as well as the SEA report can be found / requested. Other non-technical information will also be available at the information centers, such as:
 - Leaflets describing the phases of the Urbanism Plan and SEA Report issuance;
 - Leaflets containing relevant information comprised by the SEA Report, as well as the differences between SEA and EIA;
 - Posters displaying the footprint of the industrial zone and the main amendments made on the PUZ 2002, in comparison to the current version;

 - Consultations with the local leaders, 30 January – 20 March 2009:
 - Mayor and local councilors from Bucium
 - Mayor and local councilors from Abrud
 - Mayor and local councilors from Câmpeni
 - Mayor and local councilors from Roșia Montană

 - Consultations with informal leaders from the community or small groups of people from the area of influence of the Urbanism Plan January - March 2009:
 - Bucium
 - Abrud
 - Câmpeni
 - Roșia Montană

2. Consultations with the Hungarian stakeholders (in line with the provisions of Espoo Convention) for setting up some efficient communication ways (including the opening of an information centre if the Hungarian authorities would find this being opportune) and for delivering relevant information to all the stakeholders in Hungary.

3. Consultation of all stakeholders through public meetings organized in 4 towns situated under the footprint of the Urbanism Plan for which SEA was issued.

- Rosia Montana, 30th March 2009, 16:30hrs, at the Cultural House from historical center (Piata) no 318, Rosia Montana, Alba County;
 - Campeni, 31st March 2009, 16:30 hrs, at the Avram Iancu Cultural Centre, 6, Piata Avram Iancu;
 - Bucium, 2nd April 2009, 16:30 hrs, Bucium Izbita Cultural Centre
 - Abrud, 3rd April 2009, 16:30hrs, Sports Hall of the Avram Iancu high-school, str. Closca nr. 3-5
4. Ways of information and consultation of the stakeholders, including the stakeholders registered according to the Espoo Convention.
- Special section of the RMGC's web-site: www.rmgc.ro where the stakeholder can find information about the Urbanism Plan and the Environmental Report in Romanian or English, as well as information about how to register as stakeholder.
 - Deliver relevant information on the Environmental Report or further information upon request, via email or in writing (by mail);
 - Information centers in the towns situated under the footprint of the PUZ;
 - Consultations with the stakeholders.
